

MAUREEN'S GARDEN
SKU: WP-220

The crunch of the pea gravel under my feet, the scent of mint and basil and lavender. I love my little garden. It's a beautiful retreat from the world.

Maureen's Garden is an homage to a designer's late mother and her deep love of the garden. DC designer, Josh Hildreth, asked me to create a pattern that incorporated some of his mother's favorite plants, especially Irish Bells.
